upon the revision of the establishment has been proposed. The effect of this is that the clerical establishment is proposed to be strengthened by the addition of 3 Head Clerks, Store Keeper and Record Keeper & Import clerk, while the number of Naikdars are reduced from 30 to 26 and their pay fixed in 3 grades Rs 10, 12 & 14. The number of Baigarkers remains the same though even here the scale is slightly altered for the better & the time Md Baigarky is done away with. The number of peons & orderlies [illegible] also remains the same and their pay slightly improved in only 3 cases.

But the Managing Committee of the Reformed has approved of the revised proposals, tho' Mr Ubmarkhan proposed that the Office Superintendent who is now getting Rs 50+15, may get Rs 50-5-75 with an allowance of Rs 15. There is much to be said in favour of this scale. The present scale appears rather high for the present. The income from octroi in 1912-13 at the time when the last revision was sanctioned, was Rs 108144 and in 1917-18 it was Rs 165838. The sanctioning of the proposals in their entirety is a matter for the Government.

irksome Large savings accrued during the last three years by way of vacancies To secure permanency among the men entertained and to ensure efficiency and better collections some encouragement is necessary. A revision of their pay with a few changes in the designation is therefore proposed.

4. The total additional expenditure now proposed will be Rs 1851/- a year and the percentage of expenditure on establishments to income is 7 15 The additional expenditure required for the current year from the date of the Council's resolution viz , 1st March 1919 is Rs.463/- which will be met from the grant of Rs 800/-

5 Within the last few years the Octroi revenue has considerably increased (as noted in the margin) due to the vigilent and watchful attention of the staff under the supervision of the Octroi Inspector and to rise in the prices The increases now proposed will remove the discontent and dissatisfaction among the staff especially in these hard times when living has become very costly I request that you will be so good as to obtain early sanction of Government to the proposals with orders for the revision being given effect to from the date of the Council's resolution Viz , 1st March 1919
